Assure technical proficiency and compliance with the technical provisions of the contract by review and verification of the performance of work accomplished by the Contractor.  - ☐ (g) Review Contractor invoices and recommend approval/disapproval for payment as appropriate. Such review shall be completed in a manner so as to allow timely payment under the Prompt Payment Act and avoidance of payment of interest penalties.
 - ☐ (h) Recommend in writing to the Contracting Officer any changes desired in scope and/or technical provisions of the contract with justification for the proposed action. If the Contractor proposes a change, obtain the Contractor's written statement to that effect and forward it to the Contracting Officer together with your analysis and recommendation. **YOU ARE NOT DELEGATED TO AUTHORIZE ANY CHANGES IN THE STATEMENT OF WORK OR SPECIFICATIONS OR DUTIES OF THE PARTIES AS STATED IN THE CONTRACT.**
 - ☐ (i) Ensure that proper action has been taken to formally modify the contract before the Contractor proceeds with any changes in the work or services to be performed.

- ☐ (j) As requested, prepare and forward to the Contracting Officer cost estimates for any proposed increase or decrease in the work and/or services to be performed. Obtain certified funds when necessary for proposed increases.
- ☐ (k) Perform inspections of completed work and/or services and certify or have certified (by authorized Government officials) acceptance or non acceptance of work.

- ☐ (m) Other duties as follows:

☐ The contract includes the ☐ Patent Rights clause or ☐ New Technology clause.

The Patent Rights clause requires the disclosure and reporting of inventions (includes software). The New Technology clause requires the disclosure and reporting of inventions (includes software), discoveries, improvements, and innovation. Communicate to the contractor the importance of complying with the clause and include the required reporting as part of your review of the progress of the contract.
